**Lest we forget...**

---

**"Remember, remember the fifth of November, Gunpowder, treason and plot."**

I am sitting in my study, fresh conkers in the display bowl, wondering how much any of us remembers from 2019. The year that feels like yesterday!

Our human memories are at times such a fickle record of what really happened "before covid", the new BC it almost seems.

Very soon we remember the fallen of two World Wars and all conflicts since, on Remembrance Day and Remembrance Sunday.

With all the significant anniversaries coming into date the local memories and links are all there to remember, those who gave their all.

I am also given to remember this is a time of year when it gets cold, dark and often rather wet and that I should especially remember my neighbours who feel the cold more and perhaps ensure they are ok. Not everyone has a nice log fire or the money to keep the heating on this year.

As the leaves fall, we can enjoy the colours and the crunch under our feet. Perhaps too when we see the bare branches, we will remember the food banks that so many rely on because their cupboards are also bare.

May I end by hoping that as we enjoy this time of change in our weather and the trees around us, that we remember the people around us and perhaps change how often we think of or pray for others.

When I remember I often start with "Dear God, I was thinking of....."

Enjoy your November.

## News from St Bartholomew's

We seem to be settling quite nicely into our new routine: Rev Peter and Rev Rob have delivered some thought-provoking and interesting services, our guest preachers have been enjoyable and so far we have had no major hiccups. *(I am, of course, touching wood very strenuously as I type...)*

We will be commemorating Remembrance Sunday with a service on 13th Nov, with our youngsters in the Uniformed Organisations hopefully taking their usual meaningful part. It is always rather poignant to see the upcoming generations committing to the remembering of the sacrifice of youngsters like themselves, especially as the years pass. Our service also includes a recording of the Last Post and Reveille made by a member of our congregation who is a veteran of our Armed Forces - always very touching.

We are beginning the preparation for Christmas, and as part of our plan to spread the load on our depleted clergy, there is talk of a Nine Lessons And Carols service, which does not require a member of clergy to lead it, as it doesn't have a sermon, simply following the Nativity story with readings, carols and a couple of musical items from the choir. If this is something you have an opinion on, please let us know - for or against! Our Crib Service will also be led by members of our congregation, and we invite you all to join in. Come dressed as your favourite Nativity character, even if it is only a tinsel halo or teatowel on your head. *(I am now known for dressing up as an angel - childhood fantasy realised - so you won't be alone!)*

Please have a think about the sort of person you would like to see as our future vicar (or even the sort you definitely WOULDN'T like!) and let us know your thoughts. You can drop a note into church (open on Saturdays and Sundays) or email [wickchurchwarden@gmail.com](mailto:wickchurchwarden@gmail.com). We really would love this to be a community decision, rather than just being our choice. We look forward to hearing from you.

Our hearts go out to Sue Hickmore, our sister from the Chapel, in the sudden, tragic loss of her lovely husband Barry. May he Rest In Peace.

# *Doynton Parish Pump*

A third **seed swap** event is planned for March 11th 2023, including seeds, seedlings, bulbs, tubers, flowers, herbs, etc. for sale. Please save your seeds and unused/partially used seed packets and pot up spare plants and seedlings over the next few months. For instructions, see : <http://www.doyntonvillage.org/events/SeedSwap.html>.

**Doynton Village Market:** We are in the season of mellow fruitfulness and reaping the benefits of our harvests, so some, if not a majority, of cooked goods are made using home-grown produce. And it's been a good year for a lot of fruits, apples in particular. Also, as the nights have drawn in, there will be more in the way of "comfort" foods/bakes available, as well as the regular items. One of our slogans is "We cook so you don't have to". And as time progresses, we start thinking of Christmas, so if anyone wishes to order a Christmas bird/meat, please get your orders in early (tel. Elizabeth Crew on 937 3168).

**Doynton and Wick WI:** at the October meeting, Mark Rutterford kindly stepped in at short notice and entertained members with three short stories that he had written – all partially true and partially taken from Mark's wild imagination but all humorous and with pertinent props! Unfortunately, the planned Christmas Shopping trip has had to be cancelled owing to lack of numbers and there were no new volunteers for next year's Committee. For the November meeting, also the annual general meeting, we will be making Christmas decorations and ask members to bring along an old unwanted paperback book (of about 120–150 pages) and a couple of bulldog clips or strong pegs. Visitors most welcome at Doynton village hall, November 9th, at 7.30 p.m.

**Doynton litter picks** require a new volunteer to organise this annual event, which is supported by S Glos Council. Please contact [doyntonparishcouncil@hotmail.co.uk](mailto:doyntonparishcouncil@hotmail.co.uk) or tel. 07725 165181.

To book **Doynton village hall**, email [doyntonvillagehall@mail.com](mailto:doyntonvillagehall@mail.com) or tel. 07986 636611.

Please leave any tins or packets you can spare in the church porch for the **Doynton foodbank and North Bristol foodbank**. Goods should have at least three months remaining before their best-before date, and please don't include products containing alcohol, they can't accept them.

The **Doynton Hard Half Marathon** will take place in and around the village on February 5th 2023. Get your entry in now for this sell-out event at [www.doyntonhardhalfmarathon.co.uk](http://www.doyntonhardhalfmarathon.co.uk). Marshalls, cake bakers and tea makers please volunteer at [dhhm\[at\]emersonsgreenrunningclub.co.uk](mailto:dhhm[at]emersonsgreenrunningclub.co.uk). #DryMudWetMudCowMud

Our curate, Rev Rob writes:

Dear all, Now that Rev Tm Bell has left we have to appoint a new vicar and we would like your views on the sort of person we should be seeking. This is your chance to have your say on what we are looking for in our new minister. I am pleased to say that plans for Christmas are “full steam ahead” and this year we shall be returning to our carols as before, including singing outside the Cross House and processing to church. I await news of the return of the mulled wine and mince pies! Do let me know of any requests for christenings etc and, of course, any insights into our new minister.

*Anthea Watts writes:*

On a lovely warm Friday September 23rd five members enjoyed a walk in the Keynsham area with lunch at The Lockkeeper.

We all enjoyed our September meeting when Daphne Atkinson gave a presentation about her mother's experience in service at a country house, which was based on original notes written at the time. The talk was very interesting and gave us a good insight on what life was like above and below stairs.

Four of us went to the AGM on 27 September. We heard speakers from the Woodland Trust, WI Climate Ambassadors and Sow and Arrow. After lunch the highlight of the day was The Rev Kate Botley who entertained us with amusing stories which had us all laughing throughout. She wore a very brightly coloured dress with her dog collar and looked lovely. At the end of the meeting she stood at the door to say goodbye, happily posing for photographs and selfies.

Several members joined Rodway Rubies WI for a visit to Fonthill Garden Centre on 13 October. They watched a demonstration on planting bulbs and plants in pots and containers, with time to shop afterwards.

### **Forthcoming events**

**27 October** - AGM and Quiz

**24 November** - Craft event organised by Wendy and Pauline

**2 December** - possible Christmas meal at The Grapevine in Mangotsfield

**5 December** - Group Carol Service at Pucklechurch

**15 December** - Christmas event

We are always pleased to welcome new members to join our happy and friendly group. If you are interested in joining us or coming to any of the above events, then feel free to contact our President, Wendy Haynes, on 07930 851582 for more information.

## **Financial support available**

Many people are worried about the current rising cost of living. Prices are going up and energy bills are climbing fastest of all. Don't be afraid to ask for help if you are struggling to pay your bills. You may be entitled to extra government support or help from local services. To make sure you are getting the right support, contact your local advice centre

(<https://www.southglos.gov.uk/advice-and-benefits/welfare-rights-and-financial-advice/advice-agencies-and-welfare-advice-partnership/>).

S Glos Council offers grants, welfare support and reduction schemes to help those on low or no income or who are struggling with financial pressures. There is a wide range of support available, whether or not you are already claiming benefits (Freephone 01454 868009 or email: [southglos.gov.uk/costofliving](mailto:southglos.gov.uk/costofliving)).

# Dyrham & Hinton Diversions

## Women's Institute

The Dyrham and Hinton WI has had a busy month. In September, several members completed the Julian House Circuit of Bath 20-mile challenge, raising funds to help support the many people experiencing homelessness and escaping domestic abuse across the South West. We also held a "Brocante" vintage market in the village hall which was a great community get together for tea, cake and pre-loved bargains. For our October meeting we had to have a late change of plan, and instead of wine tasting we were joined by Detective Inspector Peter Brown whose international investigation into money laundering and human trafficking was featured in the Channel 4 documentary "Taken – Hunting the Sex Traffickers". DI Brown explained the challenges of modern policing and the work his team did to protect women from exploitation and prosecute the gang involved.

### **Future meetings: (Members meet 7pm at Dyrham & Hinton Village Hall)**

**November:** AGM with a Crafty Quiz

**December:** Christmas Party – The Cross House Doynton

We welcome new members; ladies can attend up to 2 initial meetings without any obligations. We meet on the 2nd Thursday of each month.

Additionally, we run several open meetings for the community to attend. If you are interested in attending any of the above meetings then please contact us at

## **Boyd Valley Painting Group**

The Boyd Valley painting group consists of a small band of like-minded amateur artists who meet once a week at the Dyrham and Hinton village hall on Thursday mornings from 10.00am until 1.00pm. The group consists of mixed artistic abilities using whichever medium they choose. It is a self-help group with advice and encouragement freely given with the collective aim to improve individual standards, therefore creating a sense of achievement for those participants just starting out. The group is run on a "not for profit" principle whereby all members share the modest cost of the hall hire between them, however the group has been successful in securing a grant sufficient to cover the cost of the hall rental, therefore art class attendances will be free this year. If you would like to add or improve your skill or just be part of a friendly group please call Andrew Hedges 01179372928 to learn more and register your interest. You will be made to feel most welcome.

**Classes will run until the 1st of December 2022 with a break for Christmas and resume on the 5th January 2023**

## **Doynton Book Club (Read Between The Wines):**

Members met at a book club members house and discussed this month's book. This month's reading list is Educated by Tara Westover.

# **St Peter's Working Party**

## **Sunday 20th November**

We will again be having a November working party at St Peter's to clear some of the vegetation in the churchyard.

Last year 25 members of the community came along and we achieved an amazing amount in just a few hours. There won't be quite as much to do in the churchyard this year so I'm hoping that some of the group will be able to give me a hand inside of the church giving it a bit of a deep clean.

It will be great to get this done before the National Trust decorate the church for Christmas in the style of a 17th Century wedding to commemorate the marriage of Mary Wynter and William Blathwayt at the church on 23rd December 1686. They are also arranging for choirs to sing carols in the church on the weekends before Christmas.

On Sunday 20th November we will be there from 9am until lunchtime but please feel free to come at any point even if just for an hour or so.

We plan to have tea and bacon rolls mid-morning so please let me know if you are joining us to ensure we prepare enough.

## News from the URC Chapel

It is with great sadness that we have to say goodbye to two very important people. Firstly, Barry Hickmore, who died on 20th September. He was a great supporter of the Chapel in so many practical ways. Any maintenance jobs were quickly repaired and in July at the Flower Festival he was seen cutting ladders, banging in nails, and generally advising us; we would have been unable to do it without him. The Reverend Stephen Newell, our Companion Elder, led the funeral service on 19th October. Our Chapel members supported the family with catering.

In early October we lost another very valuable member of the congregation, June Perrett. June was a very regular worshipper. Four years ago, she was diagnosed with cancer and until about eight weeks ago she was worshipping with us. Again, June will be greatly missed. Her favourite hymn was 'Morning has broken' and at our service on 9th October we played this hymn and thought of June and all she meant to us and her family. Her funeral will be on the 2nd November at Westerleigh at 11.00 am.

We now have a new boiler fitted which we hope will be more efficient and eco-friendly. Our old boiler has served us for over 40 years and it was secondhand then!!! So we should be okay for a while.

Our next fundraising event will be on 26th November. This is our Annual Christmas Sale. Hopefully it won't be as eventful as last year when the top of the village experienced a power cut!

## Wick Football Club

Everyone loves a **Quiz Night** – Wick FC are holding a quiz night on Sat 19 Nov, start 7pm. If you're interested in entering a team, contact Ian Bright on 07827 725759 or on [wickfc@hotmail.co.uk](mailto:wickfc@hotmail.co.uk).

The first team's rebuilding process is continuing. Kev Pollard and Jamie Johnson are working hard to add strength to the squad, and won their first league match of the season, 1-0 on Sat 08/10 against Hardwick. Owen Ridler was the goalscorer, who scored late on in the first half to secure the win. Special mention to 18-year-old goalkeeper Ashton Trott, who made two outstanding saves to keep Hardwick at bay.

The reserves are flying high and remain unbeaten in the league and playing great football, this young team tops their league so we are hoping for silverware come the end of the season. Jamie Hill is leading the way in the goalscoring tally, having scored seven goals in five games.

Sundays see both the vets and Wick Sunday perform, with the vets putting in yet another strong start to the season, winning their first league match 5-1 against Cribbs Vets, with goals from Matty Davis, Si Warren, Gary Mackreth, Dean Smith and Chris Mountford. Wick Sunday are competing well in the top division of the Bristol Premier Sunday league, where the standard is very high. They have won two games, lost two and have drawn one.

Come along and support our teams, we will look to provide a warm welcome. The bar is open on Saturday, from 1pm selling hot drinks and food and a range of alcoholic and soft drinks.

Our award winning 'Owls Nest' programme is on sell for all 1st team home fixtures, why not pop up and grab a copy for just a £1.

We run three senior and one veterans team, playing on Saturdays and Sundays, any player is welcome **of any ability** to come along and get involved. If you need further details contact Matt Davis on 07977 510352.

# Climate Emergency: November Challenge

**Maribyrnong, Rochester, Charlton, Murchison, Wangaratta in Victoria. Hawkesbury, Warragamba, Lismore in New South Wales.**

All names of places in Eastern Australia , from where I am writing this article, which are badly affected by floods. **Dr Simon Bradshaw, the Climate Council's Director of Research, said:**

"A third consecutive La Niña is likely to bring above average rainfall on an already saturated east coast, spelling tough times ahead for many Australians. The risk of extreme rainfall and flooding is also exacerbated by climate change, driven by the burning of coal, oil and gas.....Governments should also provide certainty to flood-affected residents on their eligibility for home buyback or land swap schemes, to assist families who are forced or chose to move due to extreme weather and the impacts of climate change."

**Chas Keys, former deputy director-general of the NSW State Emergency Service and Emergency Leaders for Climate Action member added**

"We know that extreme weather disasters are only going to get worse due to climate change.....Of course, governments also need to be acting on climate change to stop these events from intensifying further, starting with an end to new coal and gas projects in Australia."

**Robert Quirk, a farmer from NSW, said: "**

This is not the news we wanted to hear. I'm worried about how people in Lismore will cope with a wet spring. These massive rain events will keep happening unless we do something urgently to cut our emissions to protect our farms in the future."

This follows years of drought, catastrophic fires in 2019. Now 3 years of floods.

I share this as it shows how across the globe we are all impacted by climate change. CO2 emissions causing global heating and climate emergency.

**Our challenge this month is to choose a country you know and find out how climate change is affecting the people there.**

Learn and think about your global neighbour. Remember also last month's challenge to write to your MP to say that our government need to keep the climate emergency high on their agenda, ( it is our agenda! ).
