The Queen is dead; Long live the King.

I've been on holiday for the last couple of weeks. I was asked to write the Letter for this magazine some time ago. I knew it was something that I'd be thinking about whilst I was away. For such a letter at this time of year, with Harvest Thanksgiving Services, it was obvious that I would reflect about Harvest, Creation and our care (or lack of) of this planet — our home.

But in those few days that I've been away the whole world has changed!

Is it that the issues of Creation, Harvest Thanksgiving & co have become less important? Absolutely not! But they have been eclipsed by Her Majesty's dying - and all the events that spring from that.

It was only weeks ago that we were celebrating Her Majesty's Platinum Jubilee. The longest reigning monarch in British history, and possibly in the world. It was a time of joy and celebration. But also, for me and many others I'm sure, a time of wondering. How much longer before her reign ends?

I can just remember the death of King George VI. I would have been three years old, and obviously it didn't mean much to me. I remember the hushed tones with which the lady downstairs, and other adults around me spoke; the drawn curtains... the solemn music on the radio. No TV for us in those days. And so with an equally childhood memory, the celebration of the Queen's coronation. A huge street party. Being given a commemorative mug (that disappeared decades ago!) I've got a photograph of me in a fancy dress costume which I've always thought was related to that time — my father made a costume for me: I was a house!

I cannot say in emotional terms, as some do, that the Queen has been a big part of my life. But she has been there as part of the essential backcloth of our times. As the years have passed, I have grown in my appreciation of her and her contribution of the life of our nation. I have especially appreciated her gentle, but firm affirmation of her Christian faith.

And now she rests in the arms of her Lord, and waits with all the faithful departed for that time when her Lord and mine declares: Behold, I make all things new! Then there will be a new heavens and a new earth, and a new beginning. So I pray:

May she rest in peace, and rise in glory

News from St Bartholomew's

Well, what a month September turned out to be: so much upheaval and change to deal with.

The shocking and oh, so sudden death of our lovely Queen, so soon after we celebrated her Platinum Jubilee. I suspect we are all a bit battered and exhausted from all the mourning and funeral viewing, but it was a splendid occasion, with all the Pomp & Circumstance we could muster as a nation. All the elements combined to make it a powerful send-off, but let's hope that we don't have to do it again for a long time, eh? God Save the King!

Rev Tim and Mrs Mary are now happily ensconced in their new parishes and are thoroughly enjoying the gifts we gave them, and planning to buy a garden swing with the money.

We now turn our thoughts to the future - specifically, the appointment of a new Vicar. We are required to draw up a "profile" of the type of vicar we would like to see apply for our vacancy, and would very much welcome input from EVERYONE in the Benefice. You may not come to church, but the Vicar touches lives in ways you may not realise: he or she will have a

place on the Governor's panel at our village school, for example, and has input into lots of activities in the area. Do you want someone young, enthusiastic with lots of ideas to bring us "up to date"? Do you want a strong and steady pair of hands, happy to provide us with lots of different ways of experiencing church, who will listen to requests and take them on board? Do you want a traditionalist, who will bring back some of the lovely old services we so rarely see nowadays? Please let us know - email wickchurchwarden@gmail.com and let us know. Your opinions and comments will be passed on to the PCC anonymously, unless you specify that you are happy to have your name quoted.

Celebrate Autumn – join Summers Field Community Orchard for an **autumn feast and disco** on Friday October 21st in the village hall, 7 p.m. till late. The feast will be a posh ploughman's (vegetarian option available) and the disco is the same fab disco as at the Jubilee party. Tickets limited and only available in advance: adults £15, children £7. Credit cards accepted on the night. For tickets please contact Corinda (07587 175474) or Diana (07855 877647).

Doynton Village Market: the market has been well supported over the summer, there has been a wonderful buzz, the sound of our customers having a tea and chat after shopping. We have had a good display of produce, especially home-grown fruit and veg, usually fresh-picked that morning or the evening before. Recently, we have also had this year's pressings of apple juice, and soon pear juice. Do come along and see what we have to offer. First and third Saturdays of the month, 10.00–11.00 a.m. Orders welcome, contact crewmaud[at]btinternet.com.

A third **seed swap event** is planned for March 11th 2023, including seeds, seedlings, bulbs, tubers, flowers, herbs, etc. for sale. Please save your seeds and unused/partially used seed packets and pot up spare plants and seedlings over the next few months. See <http://www.doyntonvillage.org/events/SeedSwap.html> for last year's instructions for saving seeds.

Doynton and Wick WI: At the September meeting, members paid tribute to our late Queen. The speaker, Nicola Beauman (and her little dog Gilbert!), told the story of the creation of her (very small but exquisite) publishing house, Persephone Books Ltd, originally based in London but now in Bath, which specializes in 20th-century women writers' work. The harvest stall raised £43 for WI funds. New committee members are needed, especially from Doynton. Next month's speaker, in a change from the published programme, is Mark Rutherford, a writer-performer of short stories with humour and props. The competition is "a pumpkin" Visitors always welcome. See you on October 12th, 7.30 pm at Doynton village hall.

Please leave any tins or packets you can spare in the church porch for the **Doynton foodbank and North Bristol foodbank**. Donations are down, and client numbers are up. Goods should have at least three months remaining before their best-before date, and products containing alcohol are not accepted.

Doynton litter picks require a new volunteer to organize this annual event, which is supported by S Glos Council. Please contact doyntonparishcouncil@hotmail.co.uk or tel. 07725 165181.

To book **Doynton village hall**, email doyntonvillagehall@mail.com or tel. 07986 636611.

Advance notice of the **Doynton Hard Half Marathon**, which will take place in and around the village on February 5th 2023. Get your entry in now for this sell-out event at www.doyntonhardhalfmarathon.co.uk. Marshalls, cake bakers and tea makers please volunteer at dohm@emersonsgreenrunningclub.co.uk. #DryMudWetMudCowMud

Anthea Watts writes:

Tribute to Queen Elizabeth II

The members of Wick Village WI thank you for your devoted service to our country during your long reign. Our deepest condolences to your family, our prayers are with you all and we wish you comfort and courage at this sad time. RIP Your Majesty.

We all enjoyed our 50th birthday celebration party, with three of the original members, one of whom was the first President. The committee provided drinks and nibbles which were much appreciated. Entertainment was provided by a 4-piece ukulele group who sang and played lots of old favourites. There was also ample time for catching up with friends over a welcome cuppa.

A walk on Friday September 23rd in the Keynsham area with lunch at The Lockkeeper.

Forthcoming Events:

13 October - Visit to Fonthill Garden Centre with Rodway Rubies WI

27 October - AGM and Quiz

24 November - Craft event

5 December - Group Carol Service at Pucklechurch

15 December - Christmas celebrations

We are always pleased to welcome new members to join our happy and friendly group. If you are interested in joining us or coming to any of the above events, then feel free to contact our President, Wendy Haynes, on 07930 851582 for more information.

the WI
INSPIRING WOMEN

Yesterday (23rd Sep 2022) was a record day. We served 32 clients, a figure I cannot recall ever reaching before, except at Christmas. We, and you who give us donations, fed 44 adults and 41 children.

For the volunteers it was bad day and not just because of the numbers we fed. Well before we served our last client, we had run out of a number of items meaning that those who came in towards the end did not get a full package. This is a situation we hate. There is a risk that those who will come in next Tuesday will also not get everything we normally give out.

We are completely out of deodorant, hair conditioner, non bio washing powder, washing up liquid, tins of toms, custard and rice pudding. We also have very low stocks of tins of meat & fruit, soup, toothpaste, coffee, drinking chocolate, cartons of long-life milk & fruit juice, biscuits, razors, pot noodles, sauces, toilet roll and crisps.

Thank you all very much

News from your Parish Council

SOUTH GLOUCESTERSHIRE COUNCIL

(Oldbury Lane, Wick) (Temporary Prohibition of Use by Vehicles, Foot Passengers, Pedal Cycles and Equestrians) Order 2022

Notice is hereby given that South Gloucestershire District Council in pursuance of the provisions of section 14 of the Road Traffic Regulation Act 1984 as amended intends to make an order the effect of which will be to close, temporarily, to vehicles, foot passengers, pedal cycles and equestrians that length of Oldbury Lane which extends from its junction with Barrow Hill in a south westerly direction for a distance of 200 metres.

This order is required for the following reason: in connection with the likelihood of danger to the public consequent upon fire hydrant installation works on or adjacent to the highway. The order will be operative from 2 November 2022 for a maximum period of eighteen months. The closure however may not be implemented for the whole of the period but only when traffic signs are in position and only for so long as is necessitated by the works which are anticipated to be of 3 days duration.

Alternative route: Barrow Hill, A420, A4175, Redfield Hill, Beach Hill, Beach Lane and vice versa

Our September meeting opened with a prayer of thanks for the life of dedication and service of Her Majesty Queen Elizabeth II.

Our guest speaker, Matt from Julian House charity, which supports vulnerable and at-risk individuals, explained that every year Julian House charity supports over 1800 vulnerable individuals. These include adults and young people experiencing homelessness, escaping domestic abuse, adults with learning difficulties and people who need support after leaving prison. Julian House charity operates more than 40 different projects, accommodation sites and social enterprises across South West England. These include homeless outreach services, a 20-bed emergency access hostel and various supported accommodation. Additionally, Julian House runs multiple training programmes (including bike workshops in Bath and Trowbridge) to help people regain confidence, learn new transferable work skills, get back into education, volunteering and employment.

Several WI members have now signed up to the Julian House Fundraising Event – Circuit of Bath 20-mile challenge to raise help raise sponsorship to help support the many men and women experiencing homelessness and escaping domestic abuse across the South West. Further information can be found at <https://www.julianhouse.org.uk/>.

Future meetings: (7pm at Dyrham & Hinton Village Hall)

October: Wine Tasting

November: AGM with something Crafty

December: Christmas Party – The Cross House

We welcome new members; ladies can attend up to 2 initial meetings without any obligations. We meet on the 2nd Thursday of each month.

Additionally, we run several open meetings for the community to attend. If you are interested in attending any of the above meetings then please contact us at dyrhamandhintoncommitteewi@gmail.com or visit our website: <https://www.dyrhamandhintonwi.co.uk>

Appointment of the new Vicar

Now that Rev Tm Bell has left we have to appoint a new vicar and we would like your views on the sort of person we should be seeking. In the Church of England, the whole country is divided into parishes, each with one or two churches and overseen by a Parochial Church Council (PCC) made up of members of the community who act like the trustees of a charity. Smaller parishes are grouped together into a Benefice which is run by a vicar. A Bishop oversees all of the churches in an area known as a Diocese. Rev Tim was in charge of Wick Benefice which consists of the two parishes of Wick, and Doynton and Dyrham, and is part of the Diocese of Bristol.

To appoint a new vicar, each Parish first has to prepare a Parish Profile to describe what it is looking for in the new vicar and the sort of things it would like them to focus on. An advert is placed in the Church Times and the Diocese website, and any ordained priest can apply for the post. There is then shortlisting and interviews conducted by two PCC members from each parish, and a representative from the Diocese. We would really like to know what you would like from your new vicar so please let us know your views by getting in touch with anyone from the churches or emailing:

News from the D&H Chronicle Archive

The September 1962 edition of the Chronicle featured a news item entitled 'Thunderstorm Observations'. Young reporters Douglas Densley and Roger Hillier reported the following: 'Mr Girdlestone is the voluntary observer for the district in a nationwide survey of thunderstorms. The survey is being made by the Electrical Research Association. Every time we have a thunderstorm Mr Girdlestone has to record the date, time, duration of storm, severity and number of lightning flashes to earth'. In church news it was reported that 'Mr Trustler was shooting stray deer in the churchyard last week.' Work was also reported to be going on at Dyrham Church: 'There is scaffolding right to the top of the tower and the west window is out.'

Boyd Valley Painting Group

The Boyd Valley painting group consists of a small band of like-minded amateur artists who meet once a week at the Dyrham and Hinton village hall on Thursday mornings from 10.00am until 1.00pm.

The group consists of mixed artistic abilities using whichever medium they choose. It is a self-help group with advice and encouragement freely given with the collective aim to improve individual stand-

ards, therefore creating a sense of achievement for those participants just starting out

The group is run on a "not for profit" principle whereby all members share the modest cost of the hall hire between them, however the group has been successful in securing a grant sufficient to cover the cost of the hall rental, therefore art class attendances will be free this year.

Have you thought that you would like to paint or draw but did not know how to start or were too afraid or embarrassed to share your initial efforts with strangers? Well you are not unique in harbouring your self-doubt, we all had those feelings to start with but we were very soon freed from those restrictions by the support, encouragement and guidance of fellow group members.

If you would like to add or improve your skill or just be part of a friendly group please call Andrew Hedges 01179372928 to learn more and register your interest. You will be made to feel most welcome. Very soon you will achieve a basic ability which you can build upon.

Classes will run until the 1st of December 2022 with a break for Christmas and resume on the 5th January 2023.

The 2022/2023 season is underway with the new look first team finding their feet, losing their opening league game narrowly by the odd goal against Broadwell Amateurs and drawing the next 2-2 against Frampton Utd, with two goals from Karim Randell. Unfortunately, the 1st team exited the Marcliff. The Reserves have begun their season with two straight wins, beating Mendip Broadwalk Reserves 4-3, with goals from Liam Bryant x2, Owen Bell and Luke Bailey. At the time of writing, they beat AEK Boco A on Saturday 17/09, 3-0, Jamie Hill helping himself to a brace and Liam Bryant adding the 3rd.

The new Sunday team, managed by Danny Hawkins and John Towler Junior, kicked off their season with a 2-0 win against Lawrence Weston, Jack Thomas collected the Man-Of-The-Match award, with goals from Cole Pierre and Owen Humphries.

The Over 45's Veterans have yet to start their league campaign until early October, but have had two friendlies, drawing the first against Banjo Island and winning 6-3 against Knowle Cricket Club Over 35's.

Come along and support our teams, we will look to provide a warm welcome. The bar is open on Saturday, from 1pm selling hot drinks and food and a range of acholic and soft drinks. Our award winning 'Owls Nest' programme is on sell for all 1st team home fixtures, why not pop up and grab a copy for £1.

Climate Emergency: October Challenge

Autumn has come, and you may have seen that the trees lost their leaves early. A "false Autumn", we are told, caused by a dry and hot July and August, caused by the change in our local climate this summer. Here in Wick and the West country we are not used to seeing parched, brown grass and fields. Climate change is happening for us. This months challenge is ADVOCACY. We need to advocate or encourage our government to do more about the climate emergency.

Some facts: At last years big climate meeting in Glasgow, COP26, world leaders agreed to meet in 2022, to pledge further cuts to emissions of carbon dioxide (CO₂) - a greenhouse gas which causes climate change. This is to try to keep temperature rises within 1.5C - which scientists say is required to prevent a "climate catastrophe". Current pledges, if met, will only limit global warming to about 2.4C. COP 27 is meeting in November in Egypt to continue the discussions.

Climate change: Is the UK on track to meet its targets?

The UK Committee on Climate Change, which advises the government, thinks not. It has criticised the plans to meet the country's climate goals. The UK has pledged to reduce its greenhouse-gas emissions to net zero by 2050. Is this fast enough? Net zero means a country takes as much of these climate-changing gases out of the atmosphere as it puts in. More info at: <https://www.bbc.co.uk/news/58160547>

What can we do?

- Keep informed about what our government is doing. News, internet etc.
- We can write to our MP, who represents us at the government, to say that the UK government must take more action and not just talk; such as:
 - To reduce green house gases, like CO₂, and at least keep to the targets set
 - Continue to promote renewable energy and reduce use of fossil fuels like coal, oil and gas
 - Plant more trees and protect the natural environment (like green belt land)
 - To support efforts in poorer, developing countries to combat the impact of climate change (like in Pakistan and the devastating floods there recently).

Can you write to Luke Hall, our MP, to share your concerns?

Email Luke.hall.mp@parliament.uk

The more people who write then the government has to take notice. You can also check out his website: <https://www.lukehall.org.uk> for more contact details.

Roof Project at St Peter's Church , Dyrham

As I outlined in the last newsletter, St Peter's Church in Dyrham needs significant repair work to the roof and interior to stop water coming in and repair the damage this has caused over the years.

There are three phases to this: replacing the Tower Roof (estimated cost £113,000); replacing the lead valleys above the aisles (estimated £42,000); redecorating the interior (estimated £30,000).

We have so far raised £31,000 from grants towards the valleys and decoration, and several thousand pounds in donations from visitors and the community. Further applications are being made, but unfortunately our first submission to the Heritage Lottery Fund was not successful. Whilst the fund accepted it was a significant piece of heritage that was at risk, they deemed that it did not contain detailed enough long-term plans beyond the repairs to meet "mandatory participation outcomes". The fund could be a source of a significant portion of the funds for the tower roof, so the intention is to involve the community in developing these plans and submit a new application. In the meantime, the priority is to continue fundraising and press on with the replacement of the valleys which present the greatest risk of leaking again and causing structural damage.
