Hope in the New Year.

You probably think it is too late to mention the New Year in the February edition of the Parish news. However, I write just after finding out we have just been through “blue Monday”, when it seems we are all at our lowest after the Christmas festivities, the cold and wet and possibly the first credit card bill of the year.

This got me to wondering. About hope. Not just “I hope it stops raining so I can paint my front wall” type of hope. Hope that lasts and will see me through life’s struggles and hard events.

An old friend used to say that when we feel down, we should look up! Take a positive action. Easier said than done you may say. Thinking on this memory started me looking for the good at this time of the year.

The days are slowly brightening, the calendar tells me spring will get here and although I am still trying to get all the Christmas goodies eaten, the supermarket has easter eggs in stock already, so I know time is moving on.

One short part of the psalms always comforts me: Psalm 120:1 “In my distress I cried out to the Lord, and He heard me”.

Many support helplines have a message that equates to “someone is always available to listen” as their promise of help when needed. We have the hope that God is listening! We should not be surprised.

Why do many people like the hymn “all things bright and beautiful”? I think it has two main reasons. Firstly, for many it reminds of school days and happy days. Secondly it has only good things in it. We are drawn to realise all the good things that we can enjoy and be grateful for in our world. The Lord God made them all.

As spring approaches, may we all find hope in this year. May we share love and look after each other. Growing as a community looking out for each other and the good things around us.

Rev Rob Stewart

News from St Bartholomew's

Christmas seems a long time ago, now - but what lovely memories we have! The church was literally FILLED with stars: from the local organisations, the school, the Guides and Brownies: it looked AMAZING! Thank you everyone for all your efforts, it was truly worth it. Our 9 Lessons & Carols service went very well, and quite a few people said that they hoped it would be a regular feature from now on. We have our fingers firmly crossed that if a new vicar is in place by next year, they will support the provision of services that don't actually NEED them(!) And talking of services led by non-clergy, how much fun was the Crib Service on Christmas Eve? Jane and Andy and their mad band of supporters and musicians did a fabulous job; the children were engaged and enthusiastic, the adults were vastly amused, and there was some thought-provoking contemplation of the reasons why we celebrate the arrival of Baby Jesus s. Midnight Communion was beautiful - I would love to work out how we could make it a candle-lit service.

So now we turn our thoughts to the New Year: our parish representatives are busily preparing the necessary paperwork and discussing exactly how we go about attracting the sort of vicar that we would ideally like to see. Thank you to everyone who gave us opinions and ideas for us to consider, it really DID help us to focus.

There is always work and maintenance to be done on a building of this age, (173 years old - we shall have to start thinking about celebrating 175 years soon...) and we are very grateful for the work a stalwart few have done in searching and applying for grants which mean we don't have to have endless cake sales!

The cold snaps have exposed a weakness in our water supply - the pipes supplying the Church Room have frozen several times, so no water for loos etc, meaning we can't use the room. And we had a burst pipe in the old boiler room too - a HUGE thank you to our lovely local builder who organised a plumber to repair it, and didn't charge us! We are extraordinarily grateful!

Now then, Easter...

Doynton Parish Pump

Our new Doynton Community Café: come and share our “Warm Wednesdays” at the village hall, 10.00 a.m.–12 noon. Please join us for free tea, coffee and biscuits. Bring your work, your knitting or just yourself!

The Doynton Hard Half Marathon will take place in and around the village on February 5th. (Let's hope it's muddy enough. Ed.) As usual, volunteers from the village will be selling tea/coffee and cakes on the playing field in aid of Bath Welcomes Refugees. Donations of cakes very welcome – please bring them to the recreation ground from 09.00 a.m. or contact Jenny Bartram on 07468 413228 to arrange collection.

A third **seed swap** event is planned for March 11th, including seeds, seedlings, bulbs, tubers, flowers, herbs, etc. for sale. Please save your seeds and pot up spare plants and seedlings over the next few months. For instructions, see <http://www.doyntonvillage.org/events/SeedSwap.html>.

Shortly after dark, one evening in early January, a group of villagers gathered in **Summers Field community orchard** for the ancient tradition of wassailing. Some wore lights in their hair, others carried percussion instruments, and wassail songs were sung. The aim was to drive evil spirits from the orchard and to assure a bountiful harvest. Time will tell whether their efforts were successful! Have you walked through Summers Field community orchard recently? If so, you may have noticed the Chat Bench adjacent to the allotments. Try it out, and see if anyone stops to talk to you!

Doynton Village Market: Happy New Year to all our customers! We had a really great end to 2022: both December markets were well attended, with Wick Brownies joining us at the first one. They made a goodly sum, and we were so taken by a handmade sign saying they had donated to Bristol Children's Hospital following the 2021 markets that we added to their takings. It was a joy to host them, and well done to the young ones and the leaders for all of their dedication, time and hard work. January's market was a bit smaller, but well supported and pleasant. A nice way to see in the new year and greet our customers, we as producers enjoy the markets and welcoming everyone in, and are very much looking forward to seeing you all throughout 2023.

Friends of Doynton Church – a big thank you!

Pauline Blacker writes: In 1958, Friends of Doynton Church was formed to "encourage the widest possible spread in help to the Church by personal service and financial gifts". I am delighted to announce that, following the joint Harvest/ Friends' Service on September 25th 2022, £5316 was donated, including Gift Aid. Also, special thanks to Revd. Peter Hallett for conducting the service. Many thanks to everyone for their generosity and continued support. It is greatly appreciated – as much now, as it was 65 years

Doynton and Wick WI: in a change from the published programme, members listened in ghoulish fascination to the details of another real-life crime from a local resident who was closely involved in the investigation. Rob Jones, a now-retired CID detective, worked for months to solve the disappearance of Shirley Banks in Bristol in 1987. Suspicion soon fell on John Cannan but, although he was jailed for life for another murder, Cannan never admitted to Shirley's murder or that of another high-profile disappeared person, estate agent Suzy Lamplugh. Next month's meeting will feature a talk on the work of the Dogs' Trust by Andrew Upton. The competition is "a photograph of a dog". All welcome at Doynton village hall on Wednesday February 8th, 7.30 p.m.

Doynton apple juice for sale: 100% pure, pressed, delicious apple juice made from Doynton apples. Pasteurised, best before October 2023. All proceeds to Summers Field community orchard. £3.50/bottle or £10 for three bottles. Ideal as a gift. Contact: Corrinnda 07587 175474 or Paul 07773 327028

Dates for your diary:

Saturdays February 4th and 18th, 10.00–11.00a.m.: **Doynton Village Market** in the village hall.

Monday March 20th, 12.30–2.00 p.m. **Soup and Delicious Desserts** is back in the village hall. Proceeds in aid of Bath Welcomes Refugees.

Anthea Watts writes:

A group of us enjoyed a Christmas meal at the Grapevine in Mangotsfield on 2 December.

We also joined the group carol service at Pucklechurch with readings from each institute, and Wick Strummers also taking part. The evening was finished off very nicely with mulled wine and mince pies, courtesy of Pucklechurch WI.

Our Christmas event was a great success with thanks going to Alison, Nicola and Santa Claus who gave a present to everyone. The excellent raffle was organised by Cheryl and a Christmas quiz by Bev. A collection in lieu of Christmas cards was taken for the Memory Club. The evening ended with a rendition of Twelve Days of Christmas led by Barbara - always fun.

Forthcoming events:

23 February - Exercise from the armchair with Philomena Connolly

23 March - Hives and Herbs with Alyson Hurst

We are also looking into organising a walk and treasure hunt in **April**.
More details to come.

We have a busy year including two group events in June and November.

We are always pleased to welcome new members to join our happy and friendly group. If you are interested in joining us or coming to any of the above events, then feel free to contact our President, Wendy Haynes, on 07930 851582 for more information

Email 2ndwbrownies@gmail.com if you are interested.

Thank you to those who supported us at Doynton village market in December, we had a kind donation to add to our fund raising efforts from Doynton Village Hall which helped us raise in total £100 for Bristol Childrens Hospital.

The family of Colin Hunt would like to thank those who sent messages and those who attended Colin's funeral service at Westerleigh in November. He would have been overwhelmed by the kindness and thoughtfulness of so many. Colin had lived in Wick for 43 years and loved the area and the people but, most especially, his time with Youth Cricket and the Cotswold Wardens. Our thoughts are with Pam at this sad time.

Sadly, as you will see in the Chapel news, on Christmas Day the village also lost Mel, who moved here in 1963 with his wife Megan. 60 years of commitment to our community. We are thinking of Megan and the Williams family.

Dyrham & Hinton Diversions

Boyd Valley Painting Group

The Boyd Valley painting group consists of a small band of like-minded amateur artists who meet once a week at the Dyrham and Hinton village hall on Thursday mornings from 10.00am until 1.00pm. The group consists of mixed artistic abilities using whichever medium they choose. It is a self-help group with advice and encouragement freely given with the collective aim to improve individual standards, therefore creating a sense of achievement for those participants just starting out. The group is run on a "not for profit" principle whereby all members share the modest cost of the hall hire between them, however the group has been successful in securing a grant sufficient to cover the cost of the hall rental, therefore art class attendances will be free this year.

If you would like to add or improve your skill or just be part of a friendly group please call Andrew Hedges 01179372928 to learn more and register your interest. You will be made to feel most welcome.

Please send any contributions for the next Dyrham & Hinton Diversions to Angela Griffiths angela.dahparishnews@gmail.com) by **18th February**

News from the URC Chapel

Christmas Sale: It seems a long time ago, but we enjoyed a wonderful afternoon at the end of November at our Christmas Sale, with friends, families, and members of the village. I don't think the chapel would have been able to hold many more people. WE RAISED £1015 – a huge effort by just a few.

Christmas Eve: Reverend Stephen Newell, our Companion Elder, led a traditional Candlelit Carol Service, but the attendance was disappointing. However, the atmosphere was still there. Stephen (as Joseph) shared a monologue. We were able to send £100 to Embrace the Middle East.

Sadly, Mel, another of our membership passed away on Christmas Day. Our thoughts and prayers are with Megan, Steve, Janet, and Caroline and the Williams family. Megan and Mel have been part of our fellowship since arriving at Wick in 1963. Mel was a keen golfer and a member of Wick Cricket Club. Both Megan and Mel were dedicated members of the Village Hall Committee for many years. They were responsible for our building and of course Megan was our Chapel Secretary and still is very interested in the life of the Chapel. Mel's funeral took place on Monday, 30th January at 3.00pm at the Chapel.

The Chapel was represented at St Bartholomew's Christmas star display – our star represented faith, hope, and love.

During 2022 we replaced the boiler, purchased a large screen, and installed Wi-Fi. We have almost reached the 21st Century. We wait now for grants and donations for an easily accessible toilet in the schoolroom.

Should anyone want to loan a wheelchair and/or a Zimmer for a short while, we have these available at the Chapel.

Our thanks to everyone who contributed to the life of the Chapel over 2022 – what would we do without you all?

Dates for your diaries: - World Day of Prayer on Friday, 3rd March at 2.30 pm at The Chapel. This years' service has been compiled by the Christian Women of Taiwan. Do come and join in.

Once again, we look forward to joining our local church fellowship for Lent Meetings to be held in the Chapel Schoolroom – more details on page 18 of this magazine.

February Environmental challenge

What are our concerns? What do we think about when considering the global climate crisis?

Think Globally and ACT locally.

Being aware of what are the national and international issues is important, but sometimes we may just be thinking about our day to day issues. Energy costs and the cost of living are current concerns for many of us. Can we link that to caring for the environment? Yes, we can...Some ideas to save energy and save money.

Simple energy saving tips

Being aware of your day to day actions and habits can help to reduce your energy consumption. Here are some of the most simple, yet impactful changes you can make to help save your money and protect our environment.

The savings indicated are on a 'per year' basis.

Open your curtains

Keeping curtains open on sunny days to attract natural warmth into your home.

Use more standby

Leaving appliances on standby wastes energy - switching them off at the plug could save you £35 a year.

Use a cooler laundry setting

Washing your clothes at 30°C could save you more than £20 a year.

Be careful with that cuppa

When you're making a hot drink, boil only the water you need - this could save you £5 a year.

Take shorter showers

Taking just 1 minute less in the shower can save you at least £17 a year.

Close your curtains

Retaining heat in your home is key. By closing your curtains at dusk.

Turn down the thermostat

Turning your thermostat down by just 1°C can save a whopping £55 a year.

Fill it up

Only using your dishwasher and washing machine when they have a full load will help you save.

Slow it down

Using a slow cooker instead of an oven can save a lot of energy - and money.

Switch it off

Turning off lights when you don't need them can save over £10 in the course of a year.

(You may have heard it all before, but no harm in repeating)

This months challenge: Consider planting a tree or two. Also, the parish council posted on the Wick and community FB page that the woodland trust are giving away trees. <https://www.woodlandtrust.org.uk/plant-trees/schools-and-communities>

A participatory challenge: I would love it if there was another person who would like to share an environment challenge for other issues of the Parish News. Just contact me at 0117 937 2143, Stephen Burgess

HOPE for the World

Lent meetings – a time for friendship and discussion

Wick chapel and Wick church invite you to be “Surprised by hope”

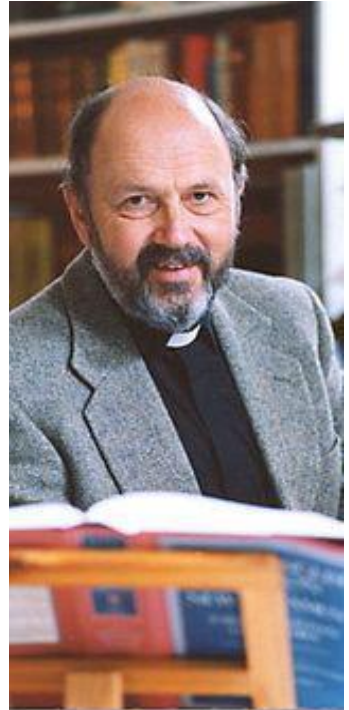

At a time when the news seems relentlessly hopeless, we will explore a down-to-earth look at the hope that Jesus offers to individuals, communities and the world.

These sessions will be an opportunity to share a brief time of reflection and worship, watch a short video talk by Bishop Tom Wright, and then enjoy drinks & nibbles, fellowship and friendly informal discussion.

The first session, Hope for the World, will take place on Tuesday, February 28th at Wick Chapel from 7pm.

Further sessions will follow on each Tuesday evening:

March 7th, March 14th, March 21st, March 28th and April 4th

Tom Wright was Bishop of Durham for 7 years, until 2010, and is a world-renowned, award-winning author. He is considered to be one of the world's leading Bible scholars. He is currently serving as the chair of New Testament and Early Christianity at the School of Divinity at the University of St. Andrews

Wick Church invites you
to share a meal and connect with Brazil

So you are invited to join us on Wednesday February 8 at 6.30pm at Burgess' house, near the Wick shops. We will have a simple meal together with Katia and a chance to get to know her better and understand more about the church which she has been involved in founding on the edge of the large city of Florianopolis in Brazil.

Please accept our invitation to join us. Just let Steve or Cathy (01179372143) know that you are interested in coming so that we have an idea of numbers and to get the address.

We would love to be crowded out!
