Happy Easter

Easter stories

For as long as humans have been able to communicate, we have told ourselves stories in an attempt to explain the mysteries of life, the suffering that is an unavoidable part of it, and the certainty of its end. These stories help us to remember; they teach us and guide our behaviour. And there are always multiple, often conflicting, versions of every such story.

Several years ago, I was one of three witnesses to a particular event. It took over a year for the case to come to court but the three of us were all sure of what we had seen and experienced. It turned out that our recollections were each very slightly different and this convinced the jury that we were lying. In fact, if we had been making it up, we would have made sure we “got our story straight” – a word-perfect testimony would have been indicative of collusion.

One of the most important and perplexing stories in our culture is the story of Easter. Each of the gospels tells the story of the first Easter Day in some significantly different ways. You would think that, if the authors had got together to make up the story, they would have made sure all the details matched. Also, the women who followed Jesus played leading roles in all of the Easter stories. They were the first at the tomb and the first to go and tell the news. In the first century world, women were not regarded as credible witnesses. So, again, if you were making these stories up after the event, you simply would not have used women as your primary witnesses.

Without the story of the resurrection, we might never have heard of Jesus of Nazareth. How different would the world be if he had been just one of the many thousands crucified by the Romans who were never heard of again?

Happy Easter from Linda Byrne and all at the URC.

News from St Bartholomew's

We began last month with some of the ladies joining with our friends up at the chapel for the World Day of Prayer. The service had been prepared by ladies in Taiwan, and the chapel looked lovely, decorated with pictures of Taiwan, and lots of exotic flowers. The service was very moving, and it was lovely to do something so meaningful together. And the tea and cake afterwards was not half bad, either! Thank you for your hospitality.

Sadly, we had two big funerals last month, too: Derek White's funeral was on the same day as the World Day of Prayer, and 10 days later, we said goodbye to Nigel Anstee. There were so many people in the church, they were standing at the back, and even filled up the choir stalls. Lots of people (even Rev Rob) were sporting Bristol City FC colours, which would have made Nigel smile.

Our search for a new vicars continues its process: our advert is now "live" on the Diocesan website and in the Church Times. So now we wait to see how many applicants we will get, and begin the task of sifting through to select candidates to interview. Hopefully, we have made ourselves sound as appealing as possible - we shall see!

A BIG thank you to some doughty volunteers who have tackled the growing problem of "The Heap" in the churchyard. In previous years, it was the repository of dead flowers and trimmed branches, and formed the nucleus of our annual November bonfire. But recently it has become regarded more and more as a place to fling rubbish, and there was a LOT of plastic and cellophane etc. Hopefully, all the plastic has been dug out, and when it has dried a little, we will have one final burning. Then it will be raked, cleared, and seeded. It won't be long before graves need to be dug very near there, so we want to be ready.

Don't forget our Easter services: all three churches are offering a service on Easter Sunday, with various levels of solemnity and/or chocolate or hot cross buns and there are services on Maundy Thursday and Good Friday, too - all info on the centre pages.

A hand-drawn graphic featuring a simple cross. Above the cross, the words "He is" are written in a cursive, handwritten style. Below the cross, the word "Risen" is written in a larger, bold, blocky font. At the bottom, the word "Alleluia!" is written in a cursive, handwritten style.

Doynton Parish Pump

Paint an Easter stone with a design of your choice, to be displayed in Holy Trinity church over the Easter festival. Collect your stone from the church porch and return it there by Maundy Thursday, April 6th. Further details from Rob Stewart (robjstewart[at]gmail.com). The advert for our new Rector (or Vicar, depending on your parish) has gone live, and interviews will be held in the first week in May.

Come and enjoy a **cream tea** amongst the apple blossom. Sunday April 23rd, 3.00 p.m. in Summers Field community orchard. All proceeds to Friends of Summers Field.

The **Thai curry evening** organized by Shu Lock and her team on February 17th raised £1750 for the DEC Earthquake Appeal in aid of people devastated by the recent earthquakes in Turkey and Syria. Many thanks to all those who contributed their time and hard work, and to everyone who attended.

The third **Doynton seed swap** on March 11th raised £410 for North Bristol and S Glos foodbank. Many thanks to all who attended, helped out and provided the delicious cakes and refreshments. Happy growing!

The **Soup and Delicious Desserts** lunch in the village hall on March 20th raised approx. £720 for Bath Welcomes Refugees. Grateful thanks to all who donated, helped out and attended.

Doynton and Wick WI: at the March meeting, Geoff Vian spoke on the varied work of the Royal National Lifeboat Institution. As well as the brave lifeboat crews – all volunteers – who go out in all weathers to rescue seafarers in distress, the RNLI provides lifeguard services on our beaches and teaches water safety in schools. You can even visit their boatyard in Poole where the rescue vessels are constructed. The April meeting will feature a talk entitled "Jane Austen made me do it!". The competition is "your favourite Jane Austen book and why you like it". All welcome at Doynton village hall on Wednesday April 12th, 7.30 p.m.

Doynton Village Market writes: At our recent AGM we voted to donate to some good causes. They are close to our hearts and the village, and well worth supporting: the Trussell Trust foodbank

was one, the other will be the Memory Café which meets at Doynton village hall once a month. This is in addition to our support for Wick Brownies after the December market. We are able to do this since a percentage of our sales is taken to pay for market running costs. In the past year we had a surplus which we voted to assign to these good causes. We also have to give a big thank-you to all of our customers who come and support us: you help us make this happen.

Doynton Community Café: “Warm Wednesdays” will continue in the village hall, 10.00 a.m.–12 noon, until at least the end of April. Please join us for free tea, coffee and biscuits and a good natter!

Doynton Coronation celebrations: Saturday May 6th, 7.30 p.m. to midnight – Coronation Disco in the village hall. Tickets £10 per adult, £5 per child, to include hog roast (veggie option available), plus bar. Tickets from Sue Merrall (tel. 0117 937 3497), Sarah Preece (07779 581682) and Chris Sherman (0771 258 2974, [chrissherman1910\[at\]gmail.com](mailto:chrissherman1910@gmail.com)), or at the Community Café in the village hall.

Sunday May 7th, 12 noon – **Coronation Big Lunch** in the village hall. Bring and share buffet – contributions of sweet or savoury items appreciated (please let Joanna know what you will bring). If you are able to volunteer your help for this (setting-up, washing-up, etc.), then please contact Joanna Bond (tel. 07766 748170, [joanna.bond3\[at\]hotmail.com](mailto:joanna.bond3@hotmail.com)) or Lorna Grey ([symondshall\[at\]myfwi.co.uk](mailto:symondshall@myfwi.co.uk)).

Maggie Curtis, a Wick resident writes:

The British Red Cross – Warmley, Bristol – would you like to help?

I have been a volunteer at the British Red Cross Mobility Aids Centre, Warmley for 2 years now. I came across the vacancy through the “Can Do Bristol” website as I was keen to do some volunteering work.

Before starting I had to take several Red Cross online courses covering: its history and how it has grown to the world wide recognised and respected organisation it is today and the 7 principles of the British Red Cross which all its staff adheres to, which are: Humanity, Impartiality, Neutrality, Unity, Independence, Universality and Voluntary Service. I was also very interested to learn that out of the 198 countries in the world, 196 have their own Red Cross Movement – all based on the same 7 principles – so being part of the British Red Cross one does really feel part of a World Wide family. The British Red Cross is not a Christian movement (or any other religion) however its 7 principles sit very well within our Christian framework. I also learnt that pre-covid figures were some 2,000 paid employees and 17,000 volunteers – amazing!

At the **Warmley Mobility Aids Centre** we hire out mobility aids which can help a family/individual in post –trauma/hospital discharge/holiday assistance etc. My role involves serving clients who are hiring or returning equipment, chasing up overdue equipment and answering the phone. This is the part I like the best as you never know what the caller is going to tell you – from a general enquiry about equipment available, to a distressing call following an accident/trauma which of course can happen to anyone at any age. There are many occasions when I have thought how fortunate I am.

From the Warmley Hub another service operates: First Call. This service offers practical help to those leaving hospital or helping those where their circumstances have suddenly changed, and can range from organising a lift home, to getting the shopping in, or making a regular phone call to check the person is OK....a hugely valuable and rewarding role....

There are **lots** of opportunities at Warmley if you feel you could also contribute – you can volunteer like I do in “reception”, or the warehouse are always looking for people to help service the equipment – or there are driving roles too (paid or voluntary) where you could be delivering or collecting equipment.

By all means grab me for a chat after a service at Wick – or you can email me: mj1curtis@hotmail.com or you can contact the Volunteer Co-ordinator Adam Burley at: adamburley@redcross.org.uk for further information about what is available.

Go on – try it – I’m sure you won’t regret it.....

Dyrham & Hinton Diversions

Women's Institute

During our March meeting members enjoyed a talk by Professional Baker Drew McGreal on The Art of Artisan European Bread Making. Members had the opportunity to taste a variety of breads ranging from the German Rye Loaf, Savoury Pretzels to the Focaccia accompanied by dips, smoked meats and cheese to enhance the taste. Members learnt about the 1920 baguette law – a real baguette has only four ingredients - flour, water, yeast and salt and it is baked in a steam oven to give its crispiness, it must weigh between 250g-300g and be no longer than 65cm. Plus the history of the sourdough and fermented bread dating back 5000 years.

Future meetings:

(Meetings 2nd Thursday every month at 7pm Dyrham & Hinton Village Hall)

April Environment challenge

Concerned about the Climate Crisis?

A lot of the problems for us will come in the future but for many people the reality is right now

Across Africa, Asia, Latin America, the Caribbean and Oceania, small-scale farmers are often experiencing the worst effects of climate breakdown: increasingly extreme weather, more frequent plant disease and more insecure food supplies, even though they are some of those who have contributed the least to the climate crisis.

Did you know that 17 people from Côte d'Ivoire have the same carbon footprint as one person in the UK?

The climate crisis isn't fair Wealthier nations like the UK are responsible for the global systems that have caused the unfair climate crisis.

We can tell our politicians it's time to own up to our responsibilities. We can still be a part of building a fairer, greener future.

Can you write to your MP to ask if our government has acted on the promises it has made to fund climate action in low-income countries? Are we acting to make trade fairer? Our MP needs to know that voters are concerned about these issues.

These thoughts are taken from the Fairtrade Foundation website / Fairtrade and Climate Justice.

PS- Have you planted your potatoes and onions? Planted veggie seeds?

Further to last month's update, we can announce that some play equipment is now in play in readiness for the summer months. The equipment is suitable for young children strictly under adult supervision. Older children can let off steam either in the outside court or on the grass (weather permitting). New trees and hedgerow have now arrived and are ready for planting. Volunteer help would be more than welcome. Indeed anyone wishing to join our small group of volunteers would be warmly welcomed, please contact Dave Beer on 07801 129560.

Wick Football Club

After an 8 game run without losing, the first team were defeated at home by current leaders Cribbs Reserves, who look to be heading for the Marcliffe Glous County league title. With the squad getting stronger and playing more together, we are sure they will be back to winning ways against Patchway Town on Saturday 18th March. The reserves return to the top of Premier Combination One after two great wins on the bounce, which keeps them well on track for silverware this season and hopefully promotion. Jamie Hill is their current top goalscorer with 13 and Cato Dacres leading the way with three MOM's (Man of the Match) awards. On a Sunday both the vets and Wick Sunday continue their excellent form. The vets moved into 3rd place with a great 5-1 win over 2nd place Red Star with goals from Stuart Mountford, Clinton Frampton, Paul Radinage x2, and Johnny Williams. The superb facilities at the sports ground has prompted a request to hold both the over 35's and 45's cup finals at Oldbury Lane on Sunday 21st May.
