Conflict and Peace

As you may know, I had the privilege, in my work, to travel to many African countries. I visited Khartoum in Sudan and enjoyed the company of church members, going to their homes and walking around the city. It was peaceful.

On April 15th, fighting broke out in Sudan between two generals, one Army and the other the leader of a military unit, the RSF. Just two men fighting for power and control. The conflict that broke out has killed hundreds of people, sent more than 200,000 into neighbouring states, displaced another 700,000 inside the country, and many are the most vulnerable, women and children.

For civilians, the conflict has unleashed a nightmare of bombardment, random gunfire, home invasions and looting, flickering electricity supply, shortages of water and food, and little chance of medical help with injuries.

It makes me almost weep at the senselessness of this conflict; the impact it has on the innocent people. The destruction of a nation. Think too of more than one year of the war in Ukraine. Why? What does this achieve except harm and distress to the people?

These are conflicts impacting nations, but conflict can exist in every walk of life; at home in the family, between friends, at work, in the community. Unresolved conflict has long lasting impact on all.

It is noteworthy that world religions value and promote peace. When conflict arises, finding time to talk, to see the other's perspective can avoid the situation escalating. Listening to each other, having an attitude of forgiveness and wanting reconciliation builds peace and de-escalates the rising conflict.

The reality is that our behaviour is not dependent on the behaviour of someone else. When things get tense between two people or groups, you have the freedom to choose your own response. You can choose to repay meanness with kindness and rudeness with gentleness.

PS: Thankyou to all in the village, organisers and those who came, for the activities over the Coronation weekend. Stephen Burgess: Lay Minister

News from St Bartholomew's

Well, it was all about the Coronation, wasn't it, last month? A thoroughly splendid time was had by all. A HUGE vote of thanks must go to Becky Winterson and the whole Friends of Wick team for their superb efforts. They are so enthused by the success of the event that there is talk of doing a Summer Fete next year to do it all again! There were some excellent pictures of people having a lovely time at the Party in the Park on social media, so don't be surprised if there are even more people next year.

Our joint service with our family from the Chapel was lovely, with lots of "We used to do this before, we should start it up again" type comments from everyone. So maybe we will turn up mob-handed at the Chapel one day soon! (We will warn them, otherwise they might not have enough biscuits...)

The big clear-up on the Monday yielded some amazing results, too - the village and the park look fab, you'd never know there was a knees-up the day before. The area in front of the Church Room was beautifully spruced up, so thank you to Anne Reynolds and her gang for that!

Talking of clearing up, one of our most pressing challenges now that summer is on its way is the rate at which the grass in the churchyard grows! We have help with the field out the back (which will be all graves in the fullness of time) by the company that cuts the grass for the school. But, not surprisingly, they are a bit wary of thundering around on big gang-mowers over memorial plaques, and they can't get between graves, so we have somebody different doing that bit. But the areas at the front of the church, around the old graves, is very tricky to keep looking good, so we are struggling a bit for both volunteers and time. We have decided that once The Heap is gone (watch this space!) we will have a couple of large, properly contained, compost heaps over on the North boundary, for people to put their dead flowers etc in, and for grass cuttings and so on. The bin for all plastic/non compostable waste will be signposted more clearly. We have also thought about just how very soggy the ground got with all the rain a month or so ago, and are planning to plant some "thirsty" trees and bushes to help absorb some of the rain and run off from the hills. Fingers crossed...

Doynton Parish Pump

The village celebrated the **coronation of King Charles III** in right royal style, with a hog roast and disco on May 5th, a sumptuous bring-and-share lunch on May 6th and a rousing peal of Stedman's on the church bells. The hall, magnificently decorated by Jayne and Kim Bressington, featured a throne, crown and sceptre for guests to emulate His Maj on social media. God Save the King!

Memory café: Thursday June 1st (apologies if this column does not reach you in time), 2.00–4.00 p.m. at the village hall. We will be celebrating the Memory Café's first birthday with a tea-dance-style café and ballroom dancing demonstration/ participation. A warm welcome awaits anyone living with dementia or memory loss and their family members or carers. Find us on Facebook "The Memory Café at Doynton" or contact us for more information (tel. 07817 311001). Thanks to Doynton and Wick WI for their support in donating cakes.

Doynton village fete is back! Come to the village hall on Saturday June 10th, 2.00 p.m., for delicious teas and cakes, stalls and games. Please bring any bric-a-brac, books, old crockery, bottles, toys, plants, teddies, cakes, produce, children's books, CDs, etc. to the village hall in the morning.

Doynton Community Café: Wednesdays, 10.30 a.m.–12 noon, until at least the end of June: note new start time. Please join us for free tea, coffee and biscuits and a good natter!

Doynton village market will take place in the village hall on Saturdays June 2nd and 16th, 10.00–11.00 a.m. for fresh spring produce, cakes and bakes, preserves and handicrafts. NB no market June 30th.

Doynton and Wick WI: members raised a glass of bubbly to King Charles III at the beginning of their May meeting and enjoyed a demonstration of trug making by Carl Sadler, the "Miserable Old Trugger", transforming slithers of soaked ash wood and copper nails into a hand-crafted trug with the simplest of equipment. He is one of only five trug makers in the country: his craft was passed down from his father and will hopefully be passed on to the next generation. Members also discussed and voted in favour of this year's resolution, "Clean rivers for people and wildlife", which will be debated at the Annual Meeting in Cardiff on May 25th.

The next meeting is on June 14th, 7.30 p.m., featuring a talk by Sergeant Major Generalle James Carr hys Regiment on “Everyday life in the 17th century”. The competition is “an everyday object you would be lost without”. If you are not a member but you would like to come along as a guest, please do!

Walks around Doynton: did you know we now have a dedicated web page giving detailed instructions for four lovely walks around Doynton? See <http://www.doyntonvillage.org/environment/Walks.html>. There is also a large map of the walks on a noticeboard next to the pub. Many thanks to Ron Ritchie and the team who organized it.

Doynton post office is open every Thursday 9.30–10.30 a.m. for all post office services. You can also withdraw cash, pay bills, pay in cheques and return mail-order purchases. Order groceries for collection by 6 p.m. Wednesday (Oldland Common Post Office, tel. 932 3159). Use it or lose it!

Please donate any packets or tins of food you can spare to the **Doynton foodbank** and **North Bristol and South Glos foodbank** – collection boxes are in the church porch. The need is greater than ever, with soaring food and energy prices and rising job losses. Thank you!

GOOD News from our School!

Head Teacher Christopher Nesbitt writes:

Following our recent Ofsted inspection on 21st & 22nd March we are delighted to share the outcomes with you. We are pleased to share the school remains to be judged as a **Good** school. The process is detailed and rigorous and we feel we were able to showcase what makes Wick C of E Primary such a wonderful place to be.

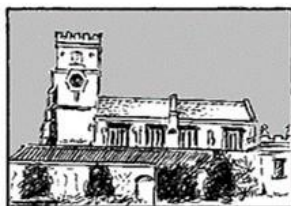

The report reflects the passion, dedication and hard work of all involved with the school in creating a place where children can thrive. The report itself is detailed and can now be found on the school website. Below, are some of the positive comments selected from the report to give you a flavour.

- Welcoming and inclusive school
- There are harmonious relationships between pupils and staff
- Pupils treat each other with kindness
- Staff are ambitious for pupils
- Pupils are proud
- Pupils relish the opportunity to take part in leadership roles
- Designed an ambitious curriculum
- Children in the early years secure knowledge of number successfully
- Pupils are enthusiastic about their learning
- Children in early years are busy, independent and confident learners
- Adaptations enable pupils with SEND to access the same learning as their peers.
- Pupils with complex needs have a personalised approach
- Pupils' wider development is a strength of the school
- The school's sporting achievements are a great sense of pride within the school.
- There is a strong culture of safeguarding embedded across the school

As you can see, the reports reflects the amazing work undertaken here and provides the school with next steps. What is very satisfying, is to see, both next steps were already areas we had actioned as part of the development of our new curriculum.

This report is the outcome of the hard work, professionalism and sacrifice by every member of staff, the encouragement and challenge of our governing body, the support of our school community and finally the passion of every child at Wick

Dyrham & Hinton Diversions

Women's Institute

During our May meeting members enjoyed an eco-green creative evening led by Marshfield Flower club ladies Pam and Lesley. Using hedgerow ivy leaves, members managed to cultivate several Ivy leaf flower designs. Members were given a brief overview of the Hedera helix (English Ivy) which originated from Europe and has been used since ancient times as a symbol of fidelity, eternity, and strong affection in weddings and friendship. Additionally during WW2 with the shortage of flowers, Ivy leaves were artistically forged into flowers and corsages.

Future meetings:

(Meetings 2nd Thursday every month 7 pm Dyrham & Hinton Village Hall)

June: Pilates in the Orchard – Sue Webb (Core Fitness) Fitness & Pilates Instructor

July: WI Summer Garden Party

August: Guided Walk

September: Zero Hero – let's get real about recycling – Anna Pitt (*Author Leftover Pie: 101 ways to reduce your food waste/live cleaner and greener for free*)

Dyrham & Hinton WI Book Club (Read Between the Wines):

Members met at the Rose & Crown Pucklechurch to discuss this month's book "Miss Benson Beetle" by Rachel Joyce.

We welcome new members; ladies can attend up to 2 initial meetings without any obligations. We meet on the 2nd Thursday of each month. We also run several open meetings for the community to attend. If you are interested in attending any of the above meetings then please contact us at: dyrhamandhintoncommitteewi@gmail.com

Boyd Valley Painting Group

The Boyd Valley painting group consists of a small band of like-minded amateur artists who meet once a week at the Dyrham and Hinton village hall on Thursday mornings from 10.00am until 1.00pm.

The group consists of mixed artistic abilities using whichever medium they choose. It is a self-help group with advice and encouragement freely given with the collective aim to improve individual standards, therefore creating a sense of achievement for those participants just starting out.

The group is run on a “not for profit” principle whereby all members share the modest cost of the hall hire between them, however the group has been successful in securing a grant sufficient to cover the cost of the hall rental, therefore art class attendances will be free for most of this year.

Have **you** thought that you would like to paint or draw but did not know how to start or were too afraid or embarrassed to share your initial efforts with strangers? Well, you are not unique in harbouring your self-doubt, we all had those feelings to start with but we were very soon freed from those restrictions by the support, encouragement and guidance of fellow group members.

If you would like to add or improve your skill or just be part of a friendly group please call Andrew Hedges 01179372928 to learn more and register your interest. You will be made to feel most welcome.

The group will meet throughout May and June but will then break for all of July and August, recommencing on the 7th September.

News from Dyrham & Hinton Village Hall

Plant & Seedling Swap:

Thank you to all who supported the Community Plant Swap in May. Special thanks to Angela, Kerry and Alison for help on the day, also to Sarah, Karen and Andrew for providing delicious homemade cakes. Those who attended enjoyed swapping plants, bright conversation, eating cake and went away with newly sharpened garden tools. Money made from cake sales of £110 will be donated to Bath charity “Grow for Life” which provides therapy through gardening. This will,

hopefully, become an annual event so those who missed out have a chance to come next year!

Please send any contributions for the next Dyrham & Hinton Diversions to Angela Griffiths (angela.dahparishnews@gmail.com) by 18th June.

News from the URC Chapel

What a wonderful time we all had over the weekend of King Charles III Coronation.

Several of us watched the proceedings on the big screen in the Chapel, toasting the King and Queen with Prosecco and coronation cake and other refreshments. Then we walked down to the Village Hall to enjoy the Vintage Afternoon Tea – which was second to none.

It was good to be part of the Picnic in the Park. Our book stall raised £70, and we were able to donate £20 to the Friends of Wick Village towards their fund to continue with events for the next few years. What an atmosphere in the park and all thanks to the Friends of Wick Committee.

We are still progressing with the easily accessible toilet to be installed in the schoolroom. We now have employed an architect to take us through all the legal documents attached to a Grade II listed building. Quite frankly these were onerous and needed the input of a professional. Why does everything have to be so difficult?

Now that we seem to have our village community spirit again, why not come to the Chapel for one of our services. You may like to join Dave Tomlinson in the Holy Shed on the 4th Sunday of the month or come for breakfast on the second Sunday - this meal is followed by a short service.

Whenever - you would be made very welcome.

WICK CORONATION WEEKEND

What a great weekend....on Saturday and Sunday we served 175 fabulous Afternoon Teas in the Village Hall, thank you to Carolyn Williams and Maria Lowe for making this happen, alongside the wonderful Exhibition of Wick Memorabilia, led by Rich Stallard and Carolyn which was enjoyed by so many.

The **"Party in the Park"** on Sunday - what a success! Planned for the village organisations to participate and fundraise and for spectators to be entertained. How wonderful was the newly formed Children's Choir from Wick Primary who opened the show. Thank you to school staff, parents and children involved. We had fabulous prizes from our Raffle Sponsors, namely.....

Colin Ludwell Cars, Wick Cafe, Pelo's Hairdressing, Pilgrim's Pride Wholesale Meats, The Rose and Crown at Wick, Sarah's Sugarcraft, Wick Barbers Shop, Carly Louise at Biosculpture Nails, Victoria Sandwich, The Wick Premier Shop.

Please support these local businesses, as they have supported us.

So many people contributed to enable the Party in the Park to run, Wick and Abson Parish Council kindly allowed us to use Brockwell Park, we would like to thank ... *Goldings Timber for their generous donation of wood so we could make a Stage, The Ukelele group, Les and Gina and Richard Kinsman (Dick from Wick) for entertaining the crowd. Steve Reade's never ending support of Wick Village, Wick Football Club for running the Bar, the Gould family for organising the Dog Show and making the Stocks (did you throw a wet sponge or two?) St. Bartholomew's Church for use of the Church Room for our Planning Meetings.*

The aim of the newly formed **"Friends of Wick Village"** is to arrange future events that you will enjoy and which will benefit village organisations. If you would like to join our friendly group, or help out occasionally, please contact Becky at b.winterson@hotmail.com. Our next Meeting is Tuesday 13th June, 7.30pm in the Church Room.

June Environment challenge

What do you think are the most important environmental issues facing us today? I share this month some information for you from a couple of sources.

Research interviewing over 1000 people came up with this graph below. What is your opinion?

<https://www.statista.com/statistics/865223/great-britain-most-important-environmental-issues/>

The UK Environment agency report that Air pollution today remains the single biggest environmental threat to health in the UK, shortening tens of thousands of lives each year. Even during the industrial revolution, the Victorians realised that parks would provide cities with “lungs”. Second is Noise pollution, which is surprising to many of us. But Noise pollution has been linked to sleep disturbance, severe chronic annoyance, coronary heart disease, metabolic health outcomes, such as diabetes and obesity and disruption to children’s learning and development.

The challenge this month is to consider what you see as an important environment issue and then think how you may contribute to dealing with it.

WSG plans to continue the development and upgrade of the Sports field will be subject to the availability of grant funding which we continually apply for. Whilst this may delay the major aspects of the development, the members of the Sports Ground will continue to push on with the work that it is able to do with voluntary help and the support of local businesses. This work will include the installation of bound or concrete to and around the main pitch which will provide safe walking/wheelchair access for those wishing to watch games. Meanwhile normal activities continue such as grass cutting, ground and building maintenance, so WSG would welcome help from anyone able to spare a but of time to help out.  Wick Football Club (Bristol)

 @wickowls

Wick Football Club

Both April and May have been manic as we have had to cram in so many rearranged games due to the cancellations during a dry but frozen winter, and a very wet spring. Given the unsure start to the season having lost our entire first team squad and management team, together with the reserve team manager, the club has enjoyed a successful season. The first team had to rebuild under the management of villager Kev Pollard and Jamie Johnson, who together steered the team to a creditable mid table finish. Young 18 year old goalkeeper Ashton Trott picked up the most appearances, playing 30 games and kept a creditable 8 clean sheets. Joe Beardwell was the star in front of goal, scoring 18 goals in 19 appearances. Operating under the FA pyramid system, Wick Sports Ground must undergo certain redevelopment to allow future progress, for which full planning permission is now in place.

The young reserve side under Kev Ashwood have had an incredible season winning the Bristol Prem Comb 1 division by 9 points. They have now gained promotion to the Premier division just one step below the first team. Tyler Dacres was their leading marksman with 26 goals in 21 appearances. The new Sunday team, managed jointly by Danny Hawkins and our President's son Johnny Towler Junior, won the Bristol Sunday League and were narrowly beaten in two Cup finals, and our over 45 vets team won their league again this season. Who would have expected such success when the season began?

Next season we will see all current teams continuing, with the addition of a new A team, who will be managed by Ian Bright and play in the lower divisions of the Bristol & District league. We will be using this team to allow youngsters a player pathway from youth football into senior football.

If you're interested in joining our newly formed A team then please call Matt Davis on 07977 510352.
