April 2024

Dear Friends

The last few mornings as I sat having breakfast I have been entertained by blackbirds, blue tits, and other birds flitting to and fro in the garden, feeding and importantly collecting material to build nests. The blackbird disappearing into the hedge with beak-fulls of grass, the crows on the chimney pots opposite with twigs; Busy, busy. Spring has come and with it the signs of new life as grass grows, trees bud, flowers burst into colour and the birds getting ready to lay their eggs for chicks to be born in a few weeks time.

The other day I was at the primary school with members of the church as we led the children of class 5 through the Easter story using a creative, interactive way exploring "Easter the movie". It was fun and the children entered into the story with interest.

As we finished all the scenes of the Easter movie, one question from the children was, "Why do we have Easter eggs"? and perhaps more difficult, " Why do we have Easter rabbits"? Do you know?

So why eggs? It is a sign of new life – the bird's eggs break as the chick hatches. Why rabbits? A sign of spring, when we see lots of baby rabbits, and new born lambs of course. Again, a sign of new life.

In the church Easter is the most important festival when we remember that Jesus died, (Good Friday) but then he rose again (Easter Day). Jesus came to life again; New life. And Christians believe he lives eternally, which means for all people the opportunity and welcome to new life.

By the time you read this Easter Day may have passed; However we celebrate Easter time and spring time, it is a time of new birth and new opportunities. Enjoy the signs in nature and you are most welcome to join in celebrating the new life Jesus gives us every Sunday at church or at other times and events advertised.

News from St Bartholomew's

Another busy month here: we joined with the Chapel to take part in the world wide "Day of Prayer" on the 1st of March, produced this year by the women of Palestine. It was a very moving service, quite humbling to hear what they have had to live through and yet still somehow keep their faith. The tea and cake afterwards was vastly enjoyable too!

As I write this, the latest Quiz Night is still large in my memory. Sarah and Andy never fail to make it enormous fun, and we laughed and laughed! We cudged ancient school geography from our reluctant brains, showed off how well travelled we were when guessing the cityscape silhouettes, and shared in the most MAGNIFICENT feast of a Bring-n-Share supper! There will be another one later in the year - I urge you not to miss it.

Our lovely new vicar, Rev Elaine, is now thoroughly immersed in the business of running the parishes, all her "firsts" have been successfully accomplished and she is settling down to the everyday. Have you met her yet? Don't hum "You'll never walk alone" in her hearing, though - she's an Everton fan through and through!

Our thoughts are turning to spring-cleaning: we have cobwebs high in the rafters that only get attention once a year; the brass plaques need a good going over, and the silk of our altar frontal needs some expert attention. If you know of anyone who is not afraid of shinning up a hefty ladder, or can offer expert advice on repairing silk, PLEASE let us know. (wickchurchwarden@gmail.com) Be prepared for our annual plea for someone to help with the grass of the churchyard, too...

We also have our AGM coming up (*I know, it seems a very "businesslike" thing for a church to do, but we are surprisingly organised*) and if there is anything you would like us to discuss/offer/change, please drop a line to the churchwarden address and we will add it to the agenda.

Doynton Parish Pump

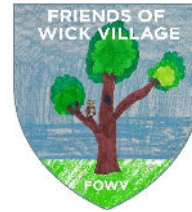

Spring is on its way ... isn't it? Even if we are still floundering through the mud. Look out for the spring bulbs around the white gates on the entrance roads to the village.

Doynton Playing Field: Saturday April 6th sees the next edition of the legendary playing field quiz. Doors open at 7.30 p.m. for a prompt start at 8.00 p.m. Tickets £20 for teams of four people or £5 single ticket – cash only please. Donations of raffle prizes would be greatly appreciated – please bring on the night. Contact Jane Stewart (tel. 937 3299/ 0774 0462247/ johnjane252 [at] gmail.com).

Friends of Summers Field: the community orchard committee will hold its AGM on April 25th at 6.30 p.m. at the Cross House Inn (in the snug). Everyone welcome. There will be a cream tea in Summers Field on Sunday April 28th, 3.00–4.30 p.m., tickets £3.50 adults, children free. There will be picnic boxes available for younger children and nature-based games and activities. No need to book, just come along.

Doynton Village Market: a big thank-you to the customers who came on March 16th: most sellers sold out by the end of the morning, which is always a good sign, and even if we hadn't, we always go home with a smile on our faces, having seen and spoken to so many of you. One of the many positives of the market is seeing new and familiar faces. So if you were disappointed at there not being much left to buy, or if there is anything you would like us to make for you, then please call Elizabeth Crew (tel. 0117 937 3168) by Wednesday morning before the market to pre-order. Hopefully we will see you again in April – Saturdays April 6th and 20th, 10.00–11.00 a.m., in Doynton village hall.

Doynton and Wick WI: in March, members welcomed Jenny Bowman, speaking on “The King of Swaziland and his 15 Wives”. Jenny shared her love for Eswatini (formerly known as Swaziland), a small independent African kingdom. She showed some lovely photographs of the colourful characters and culture, abundant wildlife and varied landscapes. Did you know that the collective name for a group of zebras is a “dazzle”? Next month, we look forward to a returning speaker, the genealogist Claire Dimond Mills, who will be delving into our very own WI's 100-year-old past with her presentation “Who do we think WE are?”. Anyone with an interest in our local history is most welcome as a guest (tickets £4). Men are allowed too (if they dare!). The competition is “a memory of a past meeting”. All welcome at Doynton village hall on Wednesday April 10th, 7.30 p.m.

Doynton Seed Swap and Plant Sale: this event was a great success with many visitors from near and far. Seeds of all kinds were swapped, garden tools and accessories were recycled and a variety of plants were on sale. Doynton cake-makers also rose to the challenge and provided some excellent cakes for a sociable tea and coffee break. The event raised £625 for the Hillfields Community Garden charity, based near Fishponds. Many thanks to everyone who contributed or supported in any way.

Environment challenge for April 2024

Did you know that?

- * **60% of food waste comes from our uk homes**
- * **18 million tonnes of CO2 are generated by uk homes from wasted consumable food and drink**
- * **8 meals in each home could be saved each week if we stopped binning our food at home**

Food Waste Action Week was on 18th - 24th March 2024

Missed it!! but here is the action you can take:

For Food Waste Action Week this year, we encouraged people/ you to "choose what you use" by buying your fruit and vegetables loose instead of packaged. Research from Love Food Hate Waste has shown that by

buying loose fruit and vegetables, we could reduce food waste by 60,000 tonnes. Sometimes we want just one jacket potato or need two carrots for a recipe. Choose loose and reduce the waste and get less plastic packaging.

Check out this website for more ideas:

<https://www.lovefoodhatewaste.com/>

Go ahead and enjoy, your breakfast, lunch and supper. Thinking of the healthy options and how to stop waste of food. Good for you, your purse and the environment.

Boyd Valley Painting Group

The Boyd Valley painting group meet every Thursday morning between the hours of 10.00am and 1.00pm at the Dyrham & Hinton Village Hall. We are a self help group of local residents within Boyd valley who have a mutual interest in learning and improving basic artistic skills in a very friendly and helpful atmosphere.

The group is run on a "not for profit" principle whereby all members share the modest cost of the hall hire, between them. Fortunately, this year, due to a successful funding application, there will be no charge for those attending until further notice.

Please come along to any meeting, no need to bring any equipment if you do not already have any, we will show you how to get started and very soon you will achieve a basic ability which you can build upon.

Call, before arriving, on the following telephone number and leave a message if no answer.

St Peter's Churchyard Tidy Up

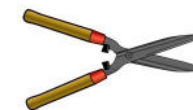

Thanks to all the volunteers who turned out on Sunday 17th March to help tidy up St Peter's Churchyard and give the Church a spring clean. Thanks also to those who provided the tea and cakes that kept us going throughout the morning.

The churchyard is looking a lot better since these community events started and visitors have said that it makes a big difference when they come, especially those who are visiting to remember loved ones.

For the volunteers it is a good opportunity to catch up with neighbours and enjoy a couple of hours in the fresh air.

The next date is planned for 19th May and all are welcome. Further information will be sent closer to the time via DahComm and through email. If anyone doesn't currently get these notices and is interested in joining in with the tidy up please contact Pete Highway by email at:

pete.highway@googlemail.com

Please send any contributions for the next Dyrham & Hinton Diversions to Angela Griffiths (angela.dahparishnews@gmail.com) by 18th April.

Wick Football Club

As we enter the business end of the season, the first team are involved in a battle to keep above the two automatic relegation places, so every point won is a point nearer safety in what has been a very competitive County League this season. Kev Pollard has bolstered his squad by the return of two influential and game changing midfielders, local lad Mike Hardiman and Liam Jenkins; both were goalscorers on their debuts against Hardwicke, where the 1st team won 2-1. Thankfully all other teams are competing for honours at the other end of their respective tables, so we are hopeful for more silverware this season.

The A team continue to grow in confidence and they beat league leaders Bristol Boys last weekend (Saturday 16/03) with a goal from joint manager Mark Hansell which moved them into 3rd spot. The Vets are currently top of their league and moved into the semi-final of the cup with a 5-1 win over LB Vets with goals from Danny Guibarra x2, Tim O'Loughlin, Chris Mountford & PJ Jackson. Our Sunday side reached the Bristol Premier Sunday Cup Final after convincingly beating Sodbury Albion 4-0 with goals from Isaiah Crawford, Owen Humphries, Jai Macleod and Joe Beardwell. They will play arch rivals Bristol Academia at Bristol Manor Farm FC on Sunday 28/04. They also go head to head with Academia for the league title on Sunday 07/04, currently there is only three points between the two teams, but Wick Sunday have a superior goal difference.

Clubhouse is open from 1pm on matchdays selling hot/cold drinks, rolls and hot Cornish pasties.

Wick Sports Ground

Constant rain has caused many headaches for our volunteer groundcare team this season, and they have been incredible to keep both pitches looking so good.
